Time of game—2 o'clock this afternoon. Place—Cartier field, Notre Dame. Contesting teams—Notre Dame and South Dakota universities. Officials: Referee—Gardner, Cornell; umpire—Patterson, Chicago; head linesman—Messick, Indiana.

With the biggest crowd that has attended a football game on Cartier field in years on hand, Notre Dame and South Dakota will clash this afternoon in a battle for supremacy for the third consecutive year. Twice have the teams met and twice has Notre Dame been returned victorious but only after the local rooters have been given the kind of scares that make the cold chills run up and down the backbone. Few fans who saw the first game between the two teams here in 1913 will forget the unpleasant situation which the Notre Dame supporters faced at the end of the first half. At that time, South Dakota led, 7 to 0, after having the best of the game up until the close of the session. In the second half, Notre Dame came back and with a brilliant attack of the open game scored two touchdowns, while Gus Dorais sent the ball skimming between the goal posts for two field goals. In case of a tie, the teams clashed at Sioux Falls. At the end of the first half, the score was 0 to 0. In the second half, Notre Dame opened up with forward pass and long ends runs and scored its second victory.

Coyotes Want Revenge. South Dakota is eager for revenge. Students of the northern university are so interested in the clash that they are to receive a wire report, play by play, of the progress of the game. Cortright's men are determined to put up the fight of their lives against Harper's crew.

Coach Harper is worried about today's game. He will be satisfied with a victory, no matter how low the score. "It will be a close battle," was his only comment last night. Harper said that the Notre Dame team had rounded into much better condition than he had expected it would, following the hard Nebraska game last Saturday.

O'Donnell Out. The lineup which the coach gave out last night includes all of the regulars with the exception of O'Donnell. Hugh will be kept out of the game, as a result of injuries he received in the Nebraska tussle, and in the hopes that he will round into shape for the Army game at West Point a week from today.

Harper will hold a number of men in reserve, ready to go in at a moment's notice. In case of the regulars show a tendency to weaken. The reserves, whom Harper will have ready for first use, are Whipple and Yeager, end; King, McInerney and Halmes, tackles; Frantz, Ward, guards; Ward, center; Dorais, quarterback; Malone, W. Miller and Hardy, halfbacks, and J. Miller, fullback.

Line a Stomach. Notre Dame could not gain against South Dakota's line last year and the Coyotes have nearly the same forward wall this season. This is a fact that is worrying Coach Harper considerably. Besides the line, the hopes and Vidal, backfield men who were instrumental in the wonderful game South Dakota put up here two years ago, are in the lineup again this season.

The Coyotes, led by Coach Cortright, arrived in South Bend at 12:47 o'clock yesterday afternoon and are stopping at the Oliver hotel. Yesterday afternoon Coach Harper turned over Cartier field to Cortright and the South Dakota coach ran his men through a limbering up drill. After the South Dakota aggregation had left the field, Coach Harper gave the Notre Dame squad a light workout, consisting of a short signal drill and a jog around the track.

Expect Huge Crowd. Authorities have made plans to handle a monster crowd on Cartier field this afternoon. Hundreds of people from South Bend, Mishawaka, Laporte, Michigan City, Fort Wayne, Elkhart and other nearby cities are expected to attend the battle, in addition to many from Chicago and other more distant points. Many alumni are returning for the big game.

The crowd will be accommodated in stands on the north, east and west sides of the playing field and automobiles will be parked at the south end of the gridiron. An enthusiastic mass meeting was held in Washington hall last evening, at which speeches were made and yells and songs practiced under the leadership of Yell Master Gargen. The university band will be out in uniform this afternoon and the music and cheering will be features of the contest. Interest among the student body is at high pitch. The rooters are hoping for a victory, but are not over confident.

## FAST RACE CARD THIS AFTERNOON

Two Tots, Pace and Match Race to Feature Bill—Program Starts at 1:45 O'clock.

The best racing South Bend has seen since the Interstate fair in September is on the program at the Springfield track this afternoon, when the Springfield Driving club will put on a fall race meet. Three regular races—a 2:25 trot, a 2:35 trot and a 2:25 pace—are on the bill, along with a feature event, a match race between a pair of 2:05 pacers.

Racing will start promptly at 1:45 o'clock, when the 2:25 trot is scheduled to be called. L. A. S. and Baron Princeton are the only local entries in this race, which is for a purse of \$50. Orange Blossom and Crusader are the other entries in this race, the starting of the latter being made possible by the fact that Billy Cullen will winter his horses here.

Some of the best racing of the day is expected in the 2:35 trot for a \$50 purse, when three sisters meet. M. L. owned and driven by Howard Longley; Laura T., owned and driven by William Haffer, and Baby L., owned by Topper, were all sired by Loyal Baron. L. A. S. and Baron Princeton were also sired by Loyal Baron. Other starters in the 2:35 trot are Gay Baron and Fredrick McKinney, both of which were seen in action here during the Interstate fair.

Six in 2:25 Pace. With the entry of Topsey G. in the 2:25 pace Thursday the list in this race is raised to six. Relatives west also meet in this race, when Country Jap and Silver Tail will get together. The latter was seen here during the fair, but Country Jap is a new one at Springfield. Silver Tail is owned by Flick and Country Jap by Topper. Peggy, owned by Leo Niedbalski, probably will be the favorite in this race, having won the county pace here during the fair.

Two veteran drivers will ride behind Robert Baron and Ginger in the match race. G. R. Summers will drive behind Robert Baron, who has a mark of 2:09 1/4, and Sam Leeper will drive Ginger, with a mark of 2:04 1/4. The two drivers have been the champion pacer through the western circuit and has been doing the mile this year in 2:11.

Officials for the meet are: Henry Wheeler, starting judge; Elmer McDonald, William Wagner, judges; E. P. Daley, I. W. Lower and Dr. R. W. Kilmer, timers; Dr. Roy H. Wolfe, chief of police.

## N. D. FRESHMEN MEET ST. VIATOR'S TODAY

Notre Dame freshmen will clash with St. Viator's college in what is expected to be a hard battle at Kankakee, Ill., this afternoon. Piloted by Coach Jones, and 20 strong, the yearling party left at 6:30 o'clock this morning for St. Viator's.

St. Viator's is represented by a strong eleven this season and the men are declared to be in the pink of condition. Last Saturday the Saints defeated Northern Illinois State Normal school of DeKalb, Ill., 96 to 0.

The freshmen will be crippled by the loss of Madigan from the line. Madigan suffered an injury to his leg in the Culver game last Saturday and has been on crutches most of the week. Capt. Fitzpatrick, who was also injured in the Culver battle, will not start the game today, but will be held in reserve. Tackle Philbin will act as captain in today's fray.

The lineup of the freshman team as it will start today's game is as follows: Berkle, le; Andrews, lt; Cook, lt; Coughlin, c; Zola, rg; Philbin, rg; Thomas, rg; Murphy, qb; Allison, lb; McDermott, rb; Miller, fb. The reserves who were taken on the trip are: Capt. Fitzpatrick, Meagher, Stafford, Whitfield, Carey, Morgan, Burt, O'Hara, Pierson and Murtagh.

## ON THE GREENCLOTH

Doran easily defeated ituyus last night at the Oliver pool rooms in the second game of the Oliver handicap three-cushion billiard tournament by the score of 30 to 9. A schedule has been arranged for the tourney, which is composed of 28 games, there being eight men in the tournament. Erhardt will play Bredemus to night in a 100-point contest which is expected to be one of the fastest games of the tournament as Bredemus is one of the three scratch men of the tournament.

## MATT WELLS HOLDS WHITE

Chicago Boxer Unable to Get Left Hook Past Defense.

MILWAUKEE, Wis., Oct. 30.—Matt Wells, the English boxer, put an end to Charley White's winning streak Friday night at the Cream City A. C. by easily holding the Chicagoan down in a fast and well fought 10-round bout.

Wells had worked up an impenetrable defense for White's famous left hook and the latter, finding his favorite method of offense almost useless, tried desperately to connect with his right, but the Englishman always came back with an evening-up punch.

Wells got the jump on White, earning the first three rounds by a good shade. White warmed up in the fourth, bringing the blood from his opponent's nose and landing several solid rights to the body. He also won the fifth round, but Wells came back strong in the sixth. The seventh round was White's by virtue of a hard left to the head and a right smash to the heart that caused Wells to break ground. The next two sessions were fairly even with White having a shade in the final period.

## WINNERS ARE TO MEET

Two Big Conference Games Are on For Today.

CHICAGO, Oct. 30.—Big interest in football centered today in the battles between Chicago and Wisconsin at Chicago and between Minnesota and Illinois at Urbana. The winners of these battles will likely meet for the western conference championship.

The inter-collegiate clashes have been watched with interest since the Michigan-Syracuse game at Ann Arbor, and the game between Indiana and Washington and Lee at Indianapolis.

Most of the football critics of the middle west were conceding today that Wisconsin would defeat Chicago and that Illinois' only hope for victory over Minnesota lay in the punting ability of Pogue and Clark.

## MALONEY WINS ON FOUL

New York Scrapper Gets Decision in Eighth Round.

NEW YORK, Oct. 30.—Tommy Maloney, local welterweight, won from Frankie Nottor on a foul in the eighth round. Mel Coogan, Brooklyn lightweight, shaded Harry Smith in 10 rounds. Teddy Jacobs defeated Johnny Hayes in 10 rounds.

## MEN WILL MEET

ST. PAUL, Minn., Oct. 30.—All arrangements were complete today for the match between Soldier Barfield of New York and Mike O'Dowd of St. Paul at Hudson, Wis. Nov. 12. The men will box 10 rounds at 148 pounds.

## HIGH SCHOOL GAME TODAY WILL HAVE BEARING ON TITLE

Locals to Meet Gary Lads for Crack at Northern Indiana Championship—14 Men Make Trip.

South Bend.	Gary.
Rokop.	Left End.
Merkle (captain).	Wulfling
W. Kreighbaum.	Left Tackle.
Parks.	Left Guard.
L. Kreighbaum.	Center.
Webster.	Right Guard.
Makielski.	Right Tackle.
Kelly.	Right End.
Sousley.	Quarter Back.
O'Donnell.	Left Half Back.
Mohn.	Right Half Back.

Place of game—Gary, Ind. Time—2:30 this afternoon. Officials—J. B. Miller, Springfield college, referee; A. L. Pineo, Springfield college, umpire; J. S. Carlson, Gary, head linesman.

Coach Metzler and Assistant Coach Elbel of the high school squad, accompanied by 14 gridiron warriors, will journey to Gary today, where they are scheduled to hook up with the steel city lads in a game which promises to go far in settling the football supremacy of high schools in northern Indiana.

Although the locals were unable to trim the strong Hammond team a week ago today, they will be able to win the championship if they defeat the Gary team today by a larger score than the Hammond team will be able to do next Saturday.

Gary is Confident. Metzler would make no predictions as to the outcome of the battle other than that his men are in the best physical shape possible and that they would be able to give a good account of themselves. On the other hand reports coming from Gary indicate that Coach Briggs' men are confident of defeating the locals.

Yesterday afternoon, the workout consisted of a light signal drill followed by a few lineups after the kick-offs. Captain Merkle, yesterday received his first opportunity of demonstrating his ability to kick off and a number of times he booted the oval from the 40 yard line over the local's goal 60 yards away. In all probability he will do the kicking in today's battle.

Besides the above mentioned lineup Metzler will take the following players for substitutes: Burner, a lineman for guard or tackle; Smith, a backfield man; Olson, an end or backfield man.

The squad accompanied by a few loyal rooters will leave over the South Shore this morning at 10:30 o'clock.

It is thought that Poe met his death during this encounter.

## CONGRATULATES WILSON

With five other Indians, Little Man called at the white house unexpectedly. No appointment had been made for them. Upon learning of the president's marriage, the president went over to the executive offices to meet them.

**I Want to Reach You, Reader**

My friends think me foolish to give so much good advice gratuitously in the papers. My advice may come to many men how to avoid being sick. They get their thinking, and help them get well without seeing me. Well, I am glad of it. They apparently don't need me and if they would come to me I would tell them so.

That is part of the service I give the public. And my personal advice to you when you call is just as free—costs you no more—than the advice I give you in the papers.

Then there are the knackers. They disapprove, without personal knowledge, of everything that is not conventional, not customary. If the world were ruled by them we would still travel by stage, wear "Hickory" shirts and light our streets with oil lamps.

"If Dr. Smith were any good," so say some of these good folks, "he wouldn't have to advertise. People would come to him anyway." Well, they do. Many come to me recommended by others. They never saw my name in the paper. But you were not one of those, reader, and I want to REACH you. You in your village, hamlet or cottage. You who have tried in vain, and are braced up only by the faint hope that somewhere, some specialist might be able to give you back your health. And I want to see you today. What good would it do you if your neighbor told your friends at your funeral that you should have seen Dr. Smith? My specialty is to help those men who have been disappointed in seeking a cure. And I want you to know it and come to me while there is time.

**BETTER BE SAFE FIRST THAN SORRY LATER.** My offices are the most expensive and scientifically equipped of any Exclusive Men's Specialist office in South Bend. I also use up-to-the-minute LABORATORY METHODS in diagnosing diseases. NO GUESS WORK. I no longer say what "I can do" but what "I HAVE DONE." I have helped thousands of men in all walks of life to arise to their very best—why not you?

Over 21 years a physician; 16 years a specialist, as my Post Graduate work and clinical experience attest. I am not a "co called," "make believe" or "phony" specialist.
